

Campus Club Milledgeville mission is to deliver arts-based education programming to in-school youth aged 7 and up in Middle Georgia. CCM also provides adult education and artistic training to families looking for a rewarding educational and cultural experience.

**Our Vision:**

Our ultimate vision is to impact barriers which hinder youths’ ability for a healthy **community-Life, economic-Liberty, and their pursuit of happiness**. CCM will serve the Baldwin, Jones, Hancock, Putnam, Washington and Wilkinson counties.

**Our Five Fold Model Emphasis:**

- ◆ **Arts**
- ◆ **Entrepreneurialism**
- ◆ **Mentorship**
- ◆ **Education & Technology**

**Our Objectives include:**

- ⇒ Increase high school graduation rates
- ⇒ Increase SAT/ACT scores of graduating seniors
- ⇒ Increase numbers of youth accepted into secondary-educational schools
- ⇒ Increase educational and artistic scholarships given to Baldwin and Middle-Georgian youth
- ⇒ Increase job skills, “work-ready” and artistic skills, allowing the student to finance his/her own college education.
- ⇒ Increase technological acuity of youth in Baldwin County and Middle-Georgia
- ⇒ Increase entrepreneurship through technology
- ⇒ Increase numbers of young-adults participating in and passing the G.E.D. program
- ⇒ Increase community and regional “Work-Ready” participants
- ⇒ Decrease anti-social behaviors leading to educational and economic failings
- ⇒ Teaching practical artistic skills that transition well into the job market, entrance into college, and promote overall healthy living.

**Campus Club Milledgeville Programs**

**AARTSS**

Academic & Artistic, Renaissance, Teaching, Student Success

This program has a **“Practical skill building”** dynamic that provides a comprehensive year-round program. We connect academics and technology, to provide access to high quality learning opportunities to engage, serve and motivate young minds, as well as provide opportunities for positive role-model relationships.

**E -STEEM**

**Enjoying Science Technology & Engineering to Educate through Math & Music**

Adapted from PITSCO’s “Star Academy Program”, <sup>eSTEEM</sup> is a dropout prevention solution that combines multiple learning methodologies; safe and productive classrooms; and innovative, standards-based curriculum. The program effectively reengages fifth to ninth-grade students who are at risk of dropping out of school.

**AAE**

**Art & Adult Education Program**

This program will serve students that did not finish high school between the ages of 16 and 26; . The arts will be used to entice participation in Central Georgia Technical College’s G.E.D. and “Work Ready” initiatives leading participants into secondary-education opportunities.

**artherapy**

**Art Therapy**

Through interactive sessions, this program provide therapeutic support for individuals with disabilities as they engage in adapted training in numerous styles of artistic expressions. This program offers students with special needs opportunities to develop a wide range of skills in the social, self-expression, communication, and gross/fine motor areas. Lessons building toward performances will foster self confidence and empower students to succeed and it’s just a plain old fun!

**ArtHealthy**

**Art Healthy**

The program is designed to use artistic expression to enrich the quality of life of the millennial generation through safe and effective exercise and physical activity. Combining physical education and arts, our goal is to decrease personal anxiety, create successful situations for our children to learn and feel comfortable with their bodies and physical talents (Martial Arts, Zumba Dance).

**CCM Course Descriptions:**

**Piano I**

Development of fundamental keyboard skills as well as basic reading and music theory fundamentals. Introduction to basic playing techniques. Emphasizes awareness of musical notation, rhythm and rhythmic patterns, tonal patterns and keyboard skills.

**Percussion**

Studies and performs repertoire written specifically for the percussion family as well as transcriptions adaptable to percussion.

**Dance 101**

Introductory classes in various dance styles and techniques including ballet, jazz dance, modern dance, tap, hip hop and creative movement.

**Introduction to Photography**

This course provides students with an introduction to visual concepts, basic image capture and camera functions with film and digital cameras. Software basics for photographic imaging and digital printing along with traditional black and white film development and photographic printing will be taught.

**Capoeira**

This course provides students with an introduction to a Brazilian art form that combines elements of martial arts, sports, and music.
